

Owens & Minor

Who We Are

Owens & Minor is a global healthcare solutions company providing essential products, services and technology solutions that support care delivery in leading hospitals, health systems and research centers around the world. For over 140 years, Owens & Minor has delivered comfort and confidence behind the scenes so healthcare stays at the forefront, helping to make each day better for the hospitals, healthcare partners, and communities we serve. Powered by more than 14,000 teammates worldwide, Owens & Minor exists because every day, everywhere, **Life Takes Care.**™

LIFE
TAKES **CARE**™

Owens & Minor

Accelerating Growth of Our Industry Leading Brands

With tens of thousands of products in our brands, and over 500+ new additions each year, our portfolio is continuously expanding.

INVESTMENTS TO ENHANCE QUALITY, PRODUCTIVITY AND OPERATIONS

Manufacturing

- **Honduras New Kitting Center of Excellence:** for standardized operations and increased capacity
- **Thailand:** Glove capacity and technology expansions
- **North Carolina:** Meltblown production and technology

Distribution Centers - Automation & Robotics

- **Multi-function** autonomous robotics
- **Tote-to-person** robotics
- **Outbound weight check** technology

INVESTMENTS IN STATE-OF-THE-ART FACILITIES AND INNOVATIVE DELIVERY

Distribution Centers - Network

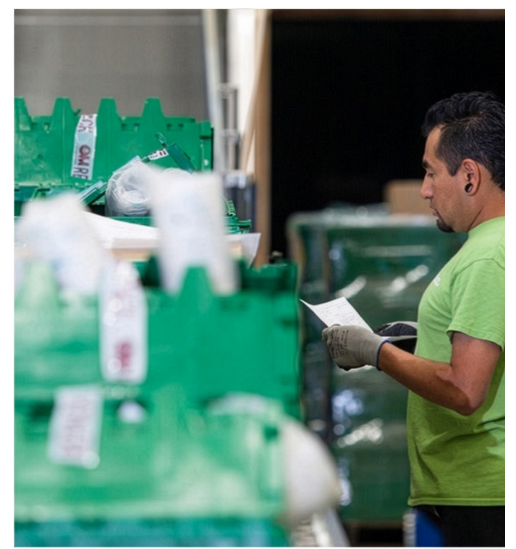

- **+500K sq. ft. added** to national network in 2025
- **New State-of-the-Art Facilities:** Morgantown, WV & Sioux Falls, SD
- **Advanced Operations:** Robotics-enabled and order fulfillment capabilities

OMFreight+ Delivery Solutions

- **End-to-End Management:** Bulk to parcel, optimized rates and data analytics
- **United Platform:** One easy-to-use solution that manages freight across the entire network

INVESTMENTS TO DRIVE IMPROVEMENTS IN RESILIENCY ACROSS OUR OPERATIONS

- Leveraging end-to-end expertise: design, raw materials, manufacturing, logistics, transportation, and point-of-care delivery
- Breadth of branded supplier portfolio ensures our customers continue to have flexibility and choice for your product solutions
- Investments in Inventory Business Planning and analysis to create a single, connected platform that improves visibility, accuracy, and resilience across our supply chain

BECAUSE EVERY DAY, EVERYWHERE, LIFE TAKES CARE™
